# World's Best Rib Eye Steak. More to Value.

**Lidl Ireland has won the World's Best Grass-Fed Rib Eye award at the World Steak Challenge this year!**

The award-winning steak from Waterford-based Dawn Meats, is exclusive to Lidl and to celebrate, we are giving you 10% off with Lidl Plus this week!

So go on, see for yourself just how good it really is!

Rib Eye not your usual cut? Check out Eric Matthews top tips for turning this Deluxe Rib Eye Steak into a total masterpiece:

*"The magic of a Deluxe Rib Eye is that the fat running through the steak gives it maximum flavour. To get the absolute best out of it, you want to cook it to a beautiful medium, so that fat renders down slowly into pure flavour. First off, never throw a cold steak into a pan, get it out of the fridge a good 20 to 30 minutes before you start so it tempers properly.*

*Whether you're cooking over white-hot coals, on the barbecue or searing in a screaming-hot pan with a splash of high-heat oil, give the steak a light weigh-down with a spatula to lock in a proper, golden crust.*

*You'll know you've hit that perfect medium when the steak feels nice and bouncy to touch and you just see a little drop of juice curling up to the top.*

*But here's the absolute golden rule: rest it for double the time you cooked it so those juices lock right back in, then slice it thick, hit it with a generous pinch of sea salt and serve it piping hot. Enjoy!"*

## Bring Lidl Foodies to your classroom today!

We've invested €150,000 in developing Lidl Foodies, a FREE educational programme for children aged 4–7 that brings healthy eating to life through hands-on learning. Designed to support the Irish Primary Curriculum, the programme helps children explore fruit and vegetables, learn where food comes from and develop positive attitudes towards healthy eating from an early age.

Alongside free classroom resources and activity packs, teachers can apply for a limited number of Lidl gift cards to purchase fruit and vegetables, helping bring Lidl Foodies to life through fun, hands-on experiences. All programme resources are also available to download as Gaeilge!
