Fuel Your Family's Back to School

As we get back into the back to school routine, it's essential to keep the whole family fueled with nutritious meals that support concentration, learning, and energy all week long.

Registered Dietitian and Lidl Nutrition Ambassador, Orla Walsh, has shared three delicious dinner ideas packed with nutrients to support brain health.

Crispy Hake, Peas & Homemade Potato Wedges

Peas are rich in **vitamin C**, which helps iron absorption. Iron supports normal cognitive development, making it an essential nutrient for growing minds.

Salmon, Brown Rice & Green Beans

Salmon is naturally rich in **omega-3 DHA**, which supports normal brain function. Green beans provide **folate** to help reduce tiredness and fatigue, ideal for busy school days and active families.

Beef & Veggie Stir-Fry with Cauliflower Rice

Beef is a great source of zinc for normal cognitive function, while cauliflower provides **vitamin B5** to help support mental performance.
